

EXPERIMENT

of Capturing Beautiful Nature by Architecture

MADE BY YOKA

YOKA

Everybody has their own
unique "YOKA" ideas.
We would like to share many
YOKA ideas with you!!

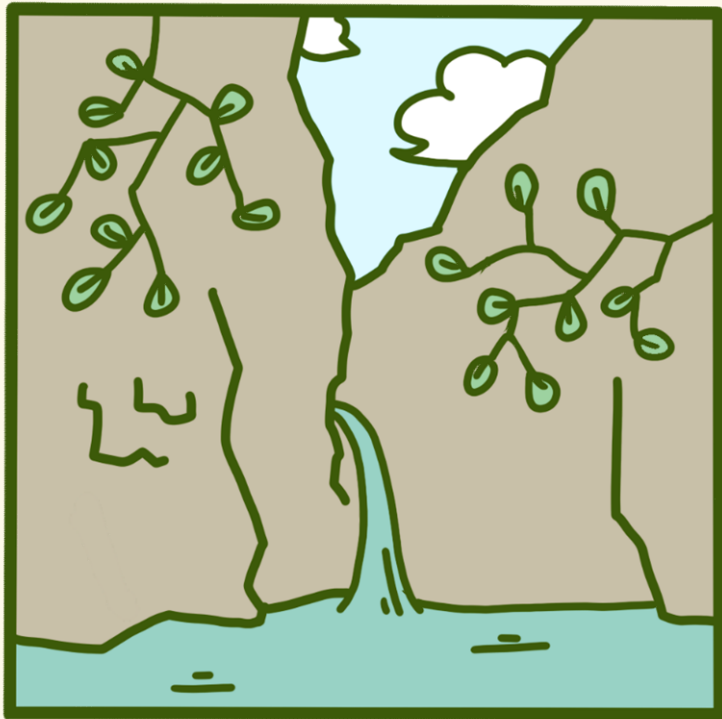

3 ELEMENTS

WONDERFUL NATURE

CINEMA PARADISE

ARCHTECTURE

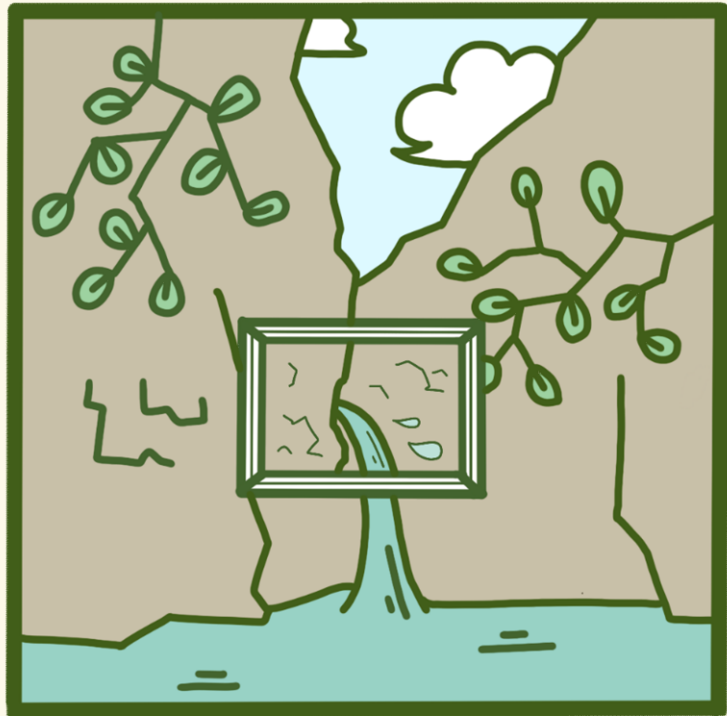

RAISING SOME ISSUES

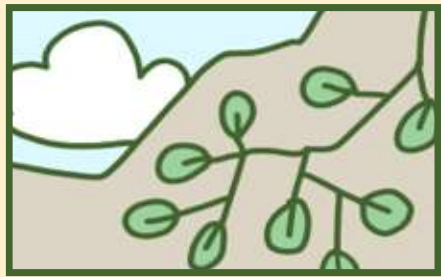

We tried to think about
the meaning of building
an architecture in nature.

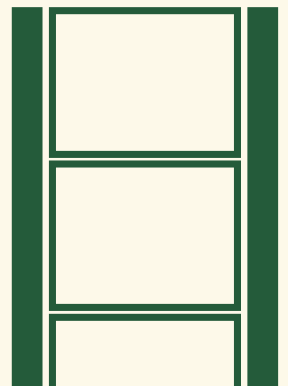

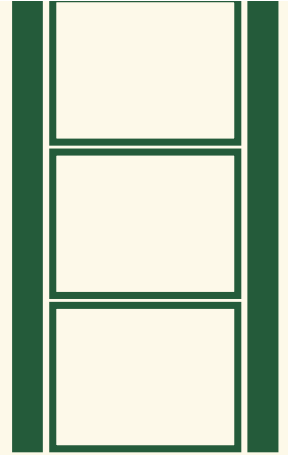

CONCEPT

Experimental space that gives visitors a more focused experience of nature by giving architecture to nature.

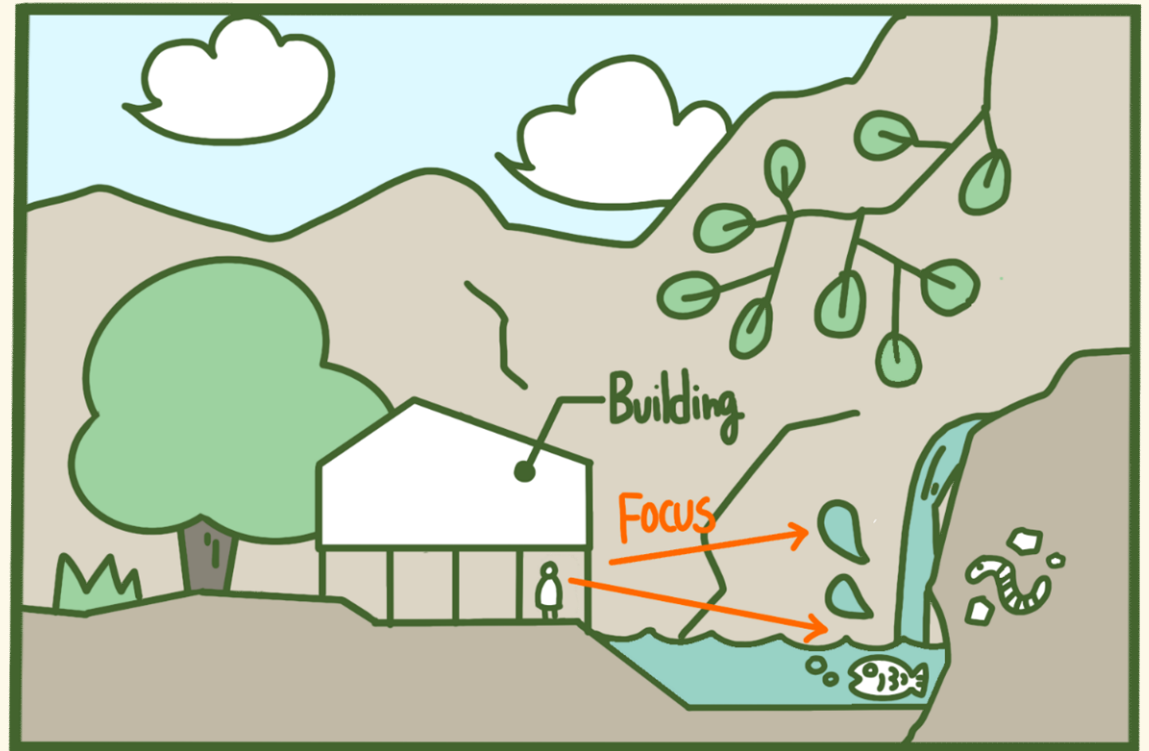

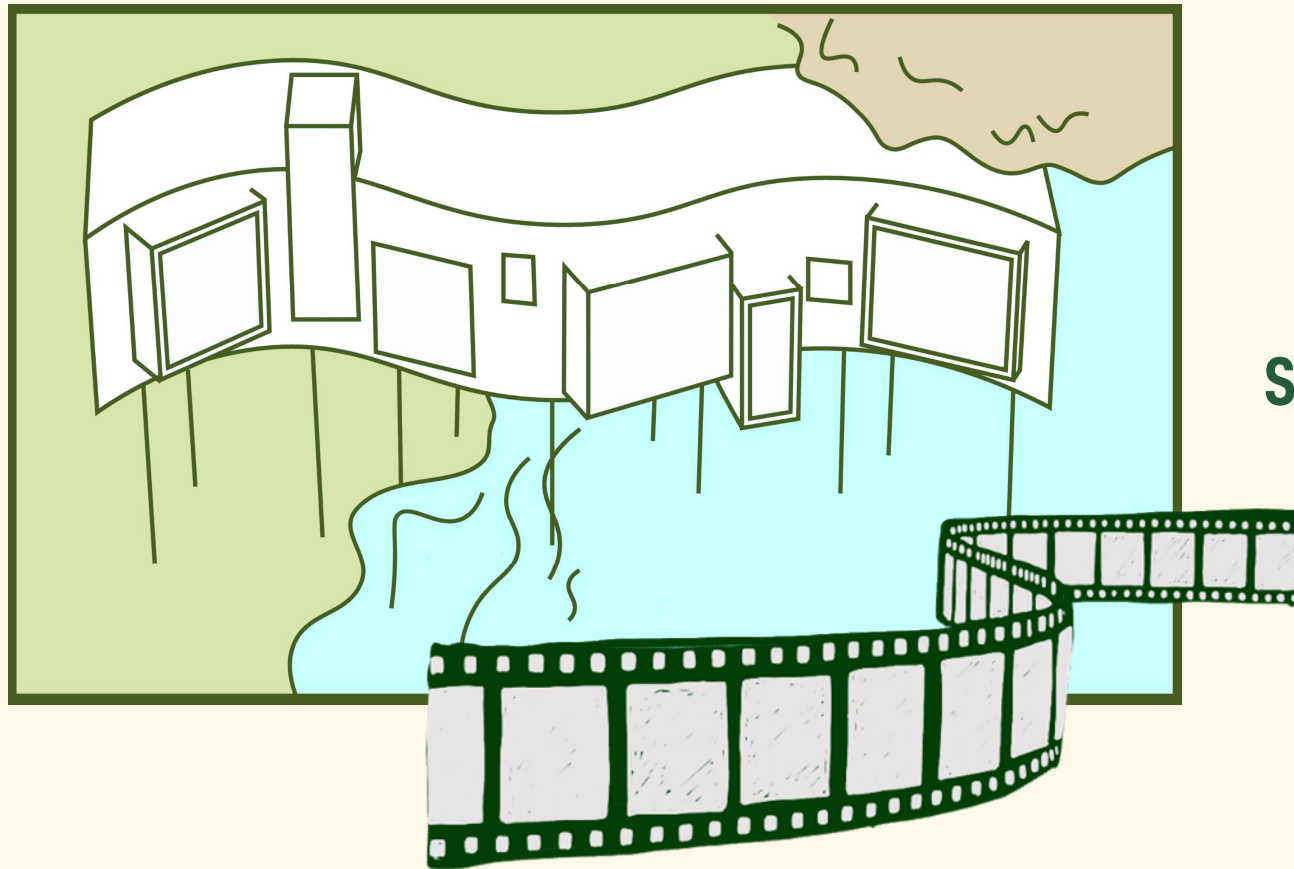

CUT OUT NATURE

by architecture and create
a new story like a movie.

FOCUS ON DETAILS

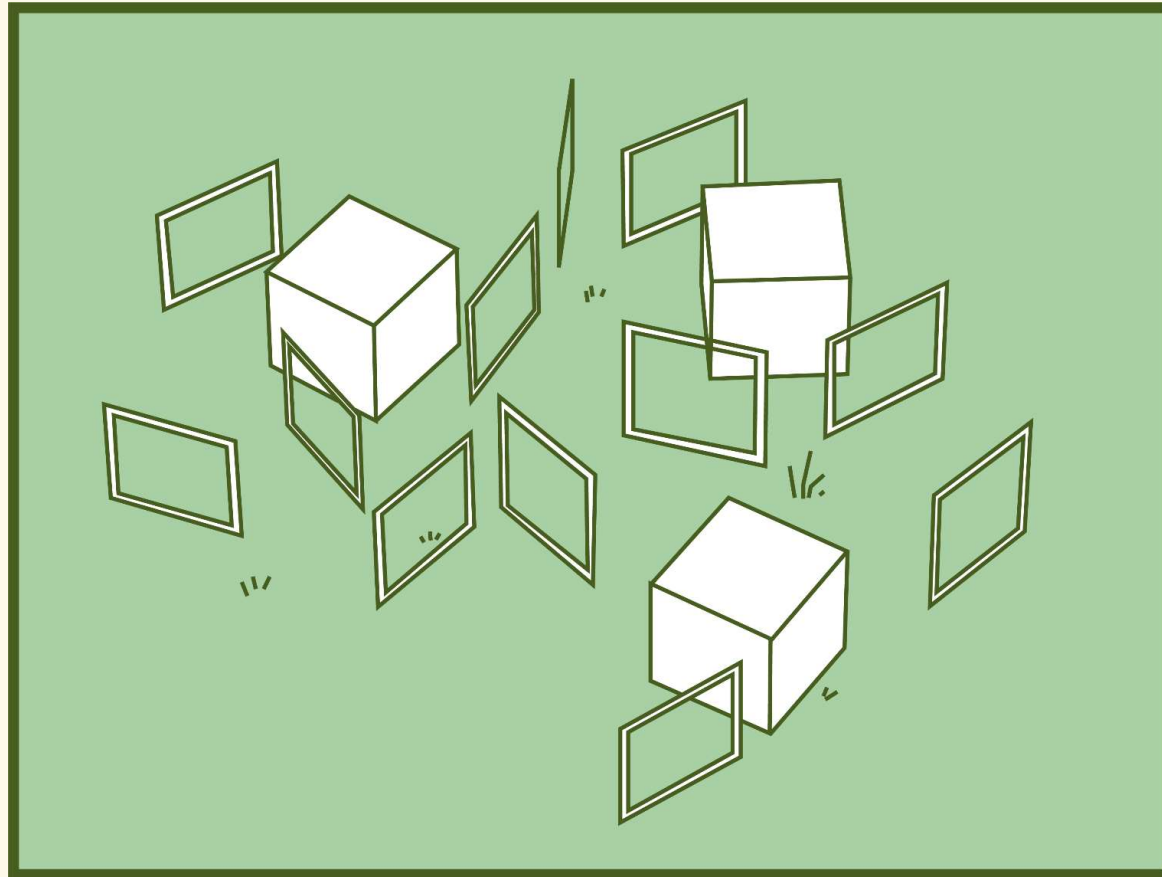

FORM IDEA 01

It shows not only each spots but also transition of sceneries like a movie film.

FORM IDEA 02

Some lodges have each
sceneries with many
kinds of window.
And they are floating
on the water.

FORM IDEA 03

People will find lots of “framescapes” will wondering through this frame forest.

THANK YOU !!
